Bursary *Details will be sent to you*

If you have indicated that you wish to apply for a Bursary, please let us know whether you have any church affiliations that might render you eligible for support from either the French Huguenot Church of London Trust or the Milton Mount Foundation.

Only those candidates who are successful in the entrance examination will be invited back for the scholarship assessments.

Scholarship awards range from 10% to 50% of the published fees.

For more information on the Scholarships and Bursaries please refer to the Scholarships booklet or visit www.elthamcollege.london

Section A: Music Scholarships

Criteria:

Awards are made on the basis of an audition, interview and references. Applicants offer at least two instruments (including singing) with at least Associated Board Grade VII standard on the first instrument and Associated Board Grade VI on the second study. Candidates for scholarships would, as a guide, receive distinctions or merits in their practical exams rather than simply passes. For example, we value more highly a distinction at Grade VI rather than a pass at Grade VII.

It is expected that scholars will participate in a significant number of music ensembles and it is likely that they will be in the College Choir.

The audition is designed to discover an applicant's musical potential, interest and talent as well as current performance standard. At the audition candidates will be required to:

- perform two contrasting pieces on their principal instrument or voice. An accompanist will be provided by the school and candidates will have an opportunity to run through their pieces with the accompanist immediately before their audition. If preferred, candidates may arrange for a private accompanist to accompany them in audition instead.
- perform a piece on a second/third instrument or voice;
- play or sing at sight on their principal instrument/voice;
- sight-sing a short extract of music (if singing not offered as a principal study);
- answer short melodic and rhythmic aural tests and aural comprehension tests;
- talk with the adjudicators about their musical aspirations and their musical experiences so far.

All applications for a Music Scholarship must be accompanied by TWO references written by a suitable person (e.g. your child's instrumental teacher, school music teacher) outlining the applicant's musical experience, reliability, attitude and general musicianship and character.

Section B: Art Scholarships

Criteria:

Candidates must provide a portfolio of exceptional work and attend an evaluation with the Director of Art. They will also be given a practical challenge in a workshop setting.

Successful candidates will be expected to study Art at A level.

An Art Scholar will be required to support the College's art activities by participating in art events, producing work for exhibitions and attending gallery events.

To apply please complete the boxes below:

What art does your son/daughter enjoy making most and which are their favourite materials?

Does your son/daughter make art outside school? If so, what sort of art do he/she make?

Please give details of any techniques learnt recently:

Please detail any specific achievements (awards, shows) both in school and outside:

Please give details of any exhibitions/shows recently viewed:

Does your son/daughter intend to study Art at A level?

YES NO

Section C: Drama Scholarships

Criteria:

At audition, Drama Scholarship candidates are required to perform two monologues and answer questions on their choice of text during an interview with the Director of Drama.

A Drama Scholar will be required to support the College's Drama activities by participating in productions, helping with House Drama and assisting in the running of the Drama Club for younger students.

To apply please submit a brief summary of why they wish to apply for this scholarship and their acting experience and achievements to date. (Please attach a separate sheet if required.)

Section D: Sport Scholarships

Criteria:

Candidates will be called for a practical assessment when they will participate in a number of sporting sessions where the basic skills of cricket, hockey, rugby and netball, as appropriate, will be tested as well as performing both swimming and fitness agility tests.

Talented individuals from any sport may apply for Sport Scholarships, though priority will be given to those who have talent in the school's core team and individual sports.

A minimum standard equivalent to, or the potential to reach, age-group county representation is normally expected in one of the sports offered at Eltham College. Practical evidence of outstanding potential in at least one other sport will also be considered.

A candidate must also satisfy the Director of Sport of their ambition for the future in their chosen sports and of the desire to benefit the development of sport at the school. Once a holder of this award, he/she must continue in these aims.

All Sport Scholarship applications must be accompanied by a written recommendation from your son's/daughter's coach, club or school.
